

Once a TKP Student, Always a TKP Student:

Four TKP Alumni Receive Full High School Scholarships

From L to R: Robinson, Caren, Mercy, Brian

Four of TKP's 2021 alumni are proudly walking the halls and grounds of Sirua Aulo High School in Kilgoris, Kenya as recipients of **full high school scholarships**. Thanks to our generous partner, the Weiss Scholarship Foundation, Robinson, Caren, Mercy and Brian will attend four years of high school, with all tuition and boarding costs covered!

In our model, TKP prepares graduates for higher education, but generous partnerships like Weiss Scholarship Foundation ensure that these students have the resources needed to start and complete high school. We are overjoyed for this talented group of scholars as they continue stepping into their bright futures!

Meet The Scholarship Recipients

Meet Robinson! He dreams of becoming a doctor and his favorite subject is science. "TKP has changed my life because of the access I've had to all the learning materials throughout my education." - Robinson M.

Meet Caren! She dreams of becoming an English teacher. Her favorite subjects are English and Kiswahili. "TKP teachers have impacted my life because of the ways they have supported me and helped me with my studies." - Caren N.

Meet Mercy! She dreams of becoming a doctor and her favorite subject is science. "As a TKP student, my life has changed because of the help of the Student Health Officers." - Mercy N.

Meet Brian! He dreams of becoming an engineer and his favorite subject is mathematics. "Having a lot of resource books and trained teachers has changed my life as a TKP student." - Brian K.

TKP News Round-Up

Welcome Back, TKP Students!

Earlier this month, 1,775 TKP students were welcomed back to 12 schools for Term 1 of the 2022 school year. With the start of Term 1, TKP's students and teachers are now back on track with the Kenyan school calendar after experiencing COVID disruptions for the past two years. Your generous gifts are bringing an outstanding health and nutrition program, school supplies, enrichment programs, and much more to TKP campuses this year!

Above: We love these "first day of school" photos of TKP's proud Intimigom Primary School students settling back into their classroom routines.

WASH Campaign News Update

Did you hear? Your generous gifts helped us raise \$16,750 and max out a generous match for this year's WASH (water, sanitation and hygiene) Campaign!

These smiling Nentekeny Preschool students and the entire TKP community have access to clean water, sanitation and hygiene resources, latrines and handwashing stations because of your support. *Asante sana!*

Behind the Scenes: Celebrating Our TKP Leaders

We love the chance to meet in-person to celebrate the impact of The Kilgoris Project. This April, our U.S. staff and board gathered for our annual board meeting to plan and dream about the future of TKP.

It was an incredible time of celebrating Caren for her years of leadership and service to TKP as she transitions to a board member role. As TKP continues our journey, we couldn't be more thankful for Caren's vision and her passion for the community of Kilgoris, Kenya.

L to R: Adrienna Sotomayor, Manager of Communications & Development; Zach Carpenter, Director of Finance; Caren McCormack, Co-founder & Board Member; Suzie McNelly, VP of Student Programs & Campus Development; Christine Hartter, Director of Operations; Ashley Gasperi, Student Health Consultant; [Greg Baird](#), President.
